16<sup>th</sup> October 2017

Dear Parents/Carers,

As part of our exciting new topic next term, Class 4 will be participating in a range of outdoor learning activities. On the first day back after half term – Tuesday 31<sup>st</sup> October – we will be running a campfire session, led by a fully qualified leader from Teach Outdoors.

During the session, pupils will learn about life before electricity, considering different ways that people lived before modern day appliances. Children will have the opportunity to go foraging for natural materials; use tools to make their very own cooking sticks and will create simple campfire recipes. Throughout the session, the qualified leader will teach pupils about the importance of fire safety and there will be additional adults supporting pupils during these activities. All activities have been fully risk assessed by our fully qualified outdoor school leader.

The activities are weather dependent and will only go ahead on the day if it is practical and safe to do so. Therefore, if we have to postpone due to weather, the activities will be rescheduled for a later date.

If you have any questions, please feel free to pop into Class 4.

Kind regards

Mrs Byrne and Mrs Sharpe

Head Teacher: Mr S. Carter  
Bursar: Ms L. Adey
