Monday 16th January 2017

Dear Families

As explained in the Class 5 Spring Newsletter, our Science topic this term is Earth and Space. This is a very exciting topic, full of awe and wonder, which encourages children to engage in deep thinking and to ask big questions. To really help bring this topic to life I am very pleased to announce that I have booked a visit to the National Space Centre in Leicester on Wednesday 25th January 2017.

Details as follows:

- 9am: Coach departure from Bliss School
- 10am: Arrive at the National Space Centre
- 10:20am: Astronaut show in the planetarium
- Rest of the morning: Visits to the galleries and interactive exhibits
- Lunch (a healthy packed lunch will be required and a couple of small bottles of water)
- 1-2pm: NXT Mars Rover Challenge workshop
- 2pm: Return coach
- 3pm: Arrive at Bliss School for normal home time.

The cost of this trip will be £15 per child which covers all of the above. Full school uniform will be required. Please let me know any medical needs that your child may have.

This is a very exciting and hands-on opportunity for your children to really understand and immerse themselves in the Earth and Space topic, with guidance from award-winning experts. Please sign and return the slip below by Friday 20th January 2017, complete with full payment. There is a place for every Class 5 child.

I am very much looking forward to this experience. If you have any further questions, please do not hesitate to ask.

Kind regards
Kim Bastin
Class 5 teacher

I give permission for my child..... (name of child) to go to the National Space Centre on Wednesday 25th January 2017 with Bliss School.

I enclose £15.00 to cover the cost of the trip.
