Dear Families

Our next topic after October half term is The Earth, Moon and Sun. This is a very exciting National Curriculum topic, full of awe and wonder, which encourages children to engage in deep thinking and to ask big questions. To really bring this topic to life, I have arranged a for Class 5 to visit The National Space Centre in Leicester on Wednesday 1st November 2017.

Details as follows:

9am: Coach departure from Bliss School
10am: Arrive at the National Space Centre
10:20am: Tour of the Night Sky show in the planetarium

Rest of the morning: visits to the Galleries and interactive exhibits

Lunch (a healthy packed lunch will be required and a couple of small bottles of water)

2:15 -3:15pm: Earth, Moon and Sun workshop
3:45pm: Coach return
4:45pm: Arrive at Bliss School

The cost of this trip will be just £10 per child which covers all of the above. This cost has been heavily subsidised by a very generous donation from The Friends of Bliss. Full school uniform will be required. Please let me know any medical needs that your child may have. This is a very exciting and hands-on opportunity for your child to really understand and immerse themselves in the Earth, Moon and Sun topic, with guidance from award-winning experts. Please sign and return the slip below by Friday 29th September 2017, complete with full payment.

If you have any further questions, please do not hesitate to ask.

Kind regards
Kim Bastin (Class 5 teacher)

I give permission for my child _____ to visit The National Space Centre on
Wednesday 1st November 2017.
I enclose £10 voluntary contribution towards this trip.
