8th November 2017

Dear parents,

As you are aware, Class 6 carried out a healthy bodies topic last term. Nutrition is part of the Design Technology curriculum and as such, they have planned a healthy, balanced breakfast for classes in the school. Your child has chosen a day that suits them to come in early so that they can make and serve their breakfast for other children. They were allocated to sibling's classes where possible (some had Young Voices and Hotshots commitments on those days).

The healthy breakfast timetable is on the reverse of this letter. Children will need to arrive at 8:05am on their allocated day; please contact us if you would like more information or spot a clash for your child.

We would like to invite you to join them on the last healthy breakfast day, Friday 1st December – more details to follow.

Many thanks,

Miss Thompson and Mrs Simpson
Class 6 team
