Dear parents/carers,

As part of the school day we like to be able to take the children out around the village when it fits into the curriculum. Walks to help them observe the village and the buildings in the village and on The Green can be very valuable when linked to a topic of work.

We always make sure we have an appropriate level of supervision with a good ratio of adults to children.

Please fill in the slip below to enable your child to be taken out around the village when the class teacher feels it will enhance the curriculum.

Yours sincerely

Mrs. L. White
Headteacher

Please cut off and return to school

I give permission for my child _____ in Class _____ to
