

Target Practice

Over the summer holidays, it would be great for your child to work on their individual targets that have been identified in their report. To enable your child to do this, please look at the resources and links provided below.

Numeracy Targets

To help your child to read and show the time confidently on an analogue clock, try letting them play on the games below.

<https://mathsframe.co.uk/en/resources/resource/116/telling-the-time> - click the link to let your child play a game of 'Tell the Time'.

www.ictgames.co.uk - let your child help the mouse find the cheese in a play a game of 'Hickory, Dickory Dock'. Choose level 1 to help your child read the time to the nearest 15 mins and level 2 to help your child read the time to the nearest 5 minutes.

You can support your child with solving two-step word problems by letting them play on the games below.

https://mathsframe.co.uk/en/resources/resource/118/adding_time_word_problems# - click on the link to let your child assess a range of time word problems.

https://mathsframe.co.uk/en/resources/resource/44/solve_2_step_money_problems - encourage your child to solve a range of two-step money word problems by letting them play this game.

Your child can revise their shape knowledge by playing on the games below.

<http://www.ictgames.co.uk> - let your child play a game of 'Shifting Shapes' to help them to recall the individual properties of both 2D and 3D shapes.

<https://www.bbc.co.uk/games/embed/karate-cats-2?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzf4sscw> - click on the link in order for your child to play a range of games under the 'Shapes' section.

To help your child add over the tens boundary and subtract using the borrowing method, try letting them play on one of the following games.

<https://www.topmarks.co.uk/maths-games/daily10> - click on the link and let your child play a range of timed addition and subtraction quizzes.

<http://www.ictgames.co.uk/> - support your child adding over the tens barrier by clicking on the link and encouraging them to play 'Catapult Count On'.

<http://www.ictgames.co.uk/> - encourage your child to play 'Twilight Take Away' to help your child subtract.

If you want your child to work on other areas of numeracy, why not get them to practise recalling their doubles, halves and number bonds knowledge by playing the games below.

<https://www.topmarks.co.uk/maths-games/hit-the-bulbion> - click on the link to discover a range of games to support your child with recalling their number bonds, doubles and halves knowledge,

<https://www.topmarks.co.uk/maths-games/subtraction-grids> - this link will let your child play a game involving missing number sentences.

Reading Targets

You can support your child with sounding out and decoding words by encouraging them to regularly read out the phonemes on the phonics sheet and play the games below.

Use the attached 'Set 2 and 3 Sounds' phonics sheet to recap and revise all of the phonemes needed to help them to become fluent a reader.

<http://www.ictgames.com/mobilePage/forestPhonics/index.html> - this game will help your child to revise all set 2 and 3 sounds.

http://resources.hwb.wales.gov.uk/NTC/16022007/wordmaker_vowels3/lesson.html - click on the link to let your child play a game that will strengthen their knowledge of split digraphs.

To help your child read many Year 1 and 2 common exception words by sight, please use the resources below.

Please use the attached 'Year 1 and 2 Common Exception Words' sheet to encourage your child to regularly read these tricky words by sight.

<https://www.bbc.co.uk/games/embed/small-town-superheroes?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzncgvk7> - click on the link to play the 'Sight Words' game. Remember to start your child off on the medium level.

In order to support your child with predicting what might happen next in a book or to discuss the similarities and differences between story books that they have read, try getting them to complete a multi - stage book review.

Get your child to complete the 'Multi-Stage Book Review' before starting a book, then half way through the book and finally at the end of the book.

Please remember to access our new Sora e-book library and Oxford Owl to find hundreds more e-books for your child to read. Don't forget to record every book that your child reads so that they can take part in our Summer Reading Challenge!

Writing Targets

To help your child to learn how to spell many Year 1 and 2 common exception words correctly, why not get them to practise spelling words from the sheet provided or play the game below?

Please use the attached 'Year 1 and 2 Common Exception Words' sheet to encourage your child to regularly practise spelling these tricky words.

<https://www.bbc.co.uk/games/embed/small-town-superheroes?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzncgvk7> – click on the link and ask your child to play 'Spelling Tricky Words' to help them revise the spelling of the Year 1 and 2 common exception words.

<http://www.ictgames.com/mobilePage/forestPhonics/index.html> – encourage your child to play this game which will help them to spell words using set 2 and 3 sounds.

To encourage your child to use the kinetic letters style of handwriting, try to get them to write on the sheet provided.

Use the attached 'Kinetic Letters Sheet' to help your child to form every letter to the correct size.

To encourage your child to write at length, try giving them a differentiated success criteria to help them make sure that they have included all of the necessary features in their writing.

Provide your child with the attached 'Success Criteria' sheet when they want to write at length independently.

In order to support your child with including a range of punctuation in their writing, try letting them play on the games below.

<https://www.bbc.co.uk/games/embed/small-town-superheroes?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzncgvk7> – click on the link to enable your child to play a range of games under the 'Punctuation' section.

<https://www.roythezebra.com/reading-games/capital-letter-1.html> – this link will let your child play a game that will strengthen their understanding of capital letters.

You will be able to find lots more writing games by clicking on the links below.
